

Form Wizard – User Interface –

1. Form 1 – which requires the fields of First Name, Last Name, Email and Phone

The image shows two screenshots of a three-step form wizard. The steps are: 1. Personal Details, 2. Address Details, and 3. Completed Details. The first screenshot shows the 'Personal Details' step with empty input fields for First Name, Last Name, Email, and Phone. The second screenshot shows the same step with test data entered: First Name (Test First Name), Last Name (Test Last Name), Email (test.name@gmail.com), and Phone (3243243423). Both screenshots have a 'Next' button at the bottom right.

2. Form 2 – which requires the fields of Street Number, Street Name, Street Type, Suburb and Postcode.

The image shows a screenshot of a three-step form wizard. The steps are: 1. Personal Details, 2. Address Details, and 3. Completed Details. The 'Address Details' step is active, showing input fields for Street Number (3423), Street Name (Test Street Name), Street Type (a dropdown menu with 'St' selected), Suburb (Test Suburb), and Postcode (2342). There are 'Previous' and 'Next' buttons at the bottom right.

Step 2: Address Details

Street Number
3423

Street Name
Test Street Name

Street Type
St

Suburb
Test Suburb

Postcode
2342
